“ Jackie and I use to fill in for each other on the Usher board; so she could go on her cruises. She was loving, caring with a wonderful spirit. I am going to miss her.

“ Les:  
I was so sorry to read about Jackie's passing. My thoughts and prayers are with you. She and I would trade ideas on how and where to find the newest Beanie Babies. Unlike her, mine stayed in the bag but she would display hers on her desk. She was a nice, nice lady.

“ Les, So sorry to read of Jackie's passing away. She was the friendly front door to Colgates during my time there. Every time I encountered her was a pleasure. Always the big smile and regardless of how busy she may have been, she always had time to be pleasant. She was often the listener for tales about my grand children. She was a friend. My condolences. “ Les and family,  
Jackie greeted many team members and visitors with a Colgate Smile during her career. And, she shared her smiles and talents with others throughout her life. May memories, family and friends help you through this time. My deepest condolences.
