“ I will always fondly remember James from our church. I inquired about him just two days ago and found out about his passing. It was such a shock to hear. He was always such a pleasant person to be around. He really loved the Lord and now he sleeps until that glorious day of the resurrection. Rest in peace dear friend and my sincere sympathy to the family and friends of James. Gone from us physically but never forgotten. God bless.

“ Dear family members,I have fond memories of James' participation in Sabbath School class. He was always involved, reading scripture verses and joining in with pertinent questions and comments. Last time I saw him at church, he was so happy about what he was learning at the health center in TN and we had a nice conversation about his plans. He seemed eager to share and use what he was learning with others. I am so very sorry for your loss and am praying the Lord sustains each of you. I will miss James.Sincerely, Lois Schell

“ I'm so sorry for your loss. Losing a loved one in death, most especially a child, can make us feel so helpless. May you gain the strength and comfort you need by pouring out your heart in prayer to God.
