“ *Sonny was / is a man full of charisma. I reflected on him always. Sonny was a man whom few did not like. His laughter was precious and those who knew him loved him. I had many people say to me or I overheard them say ... I can see why she loves him. He may not had known, but he was a gift, to many , for he is indeed cherished. I never loved any man more than him . He was so respectful. Sonny rest in peace. Know that I am praying for your soul.Let us all remember to pray for the souls of all of our loved ones. Sacred Heart of Jesus we offer Your most precious Blood for the dying of this day and for those who have already passed & in the Name of the dying express true sorrow for their sins Amen. Eternal rest grant unto them, O Lord, and let perpetual light shine upon them. May the souls of the faithful departed, through the mercy of God, rest in peace. Amen*

“ Vincent, I am sorry we have not met. Your Father and Aunts and Myself all grew up together in a place called Jefferson Gardens back in the day. Because of your Dad I met Vincent Cropp the man you were named after as well as the woman I married. I pray for the Holy Spirit to bring comfort to all of you as you navigate through this difficult season.
