JS

“ I am so glad we talked a good while about one month ago. You had so many family history stories to share and you presented them in your usual way, full of laughter and unspeakable joy. Bubba we are saddened right now but we delight to know that you are in the presence of the Lord and we will see you again. And to all of Bubba's children, you too were blessed with a phenomenal father hand picked for you all by the Lord. Aunt Margaret and Nita in Nashville
