“ *My heart is so heavy with the loss of Mr Jim, and I know each and everyone in his family is devastated for the loss they're feeling right now. He was the greatest, always telling stories especially about his days with his singing group, THE SKYLIGHTERS, as they sang on the Chitlins Circuit. His conversations could easily pass as an enjoyable history lesson. While I've known him , he was son, grandson, a husband , father, grandfather, and a friend. He was everything to a lot of people. My condolences to his family because I know they are in a lot of pain right now, I will keep you all in my prayers.*

“ I will miss my Uncle Jim so much. I know we did not see each other often, but I felt his sweet spirit from the distance. My love, thoughts and prayers are with my cousins who I love so much. God placed us together in a most unusual way. I thank Him for all of you and the memories we share. I love you. I regret that I cannot be with you. I will call you and be in touch. Much Love and Prayers now and always, Anne
