“Wow! I am at a loss for words and that's not me. James Steele was truly one of a kind. He is a dear friend of my family who I met many years ago when looking for a car. He really took care of me and made sure I had what I needed and could afford. Not once, but twice. It was always good to see him out. Truly will miss his style of telling it like it is. May God rest his soul. Prayers going up for his wife, children, and family.
