“ Tab was a cool cat who always dressed. Very laid back and quiet. Cousin you are loved. Whenever I saw you, you always called me by my little girl nickname: "Retta". RIH Tab

“ Daddy I love you so much, I'm gonna miss you dearly. I was lucky to have you in my life. God blessed me with you, such a mild mannered soul and always smiling. You noticed every little thing about me from my 1st pregnancy down to my "little" weight gain. I thought that was so funny! Daddy, most of all I knew from all our conversations how much you wanted, and planned to have me. That takes a special man, and that will forever remain in my heart, how much you loved and adored me. I could talk to you about anything and we did. I know now you wanted to rest, not just a nap, but eternal rest and only Jehovah God could give you that, sleep peacefully now Daddy I'm going to miss your smiling face but I know you're okay now and you not that far from me because you're in my heart forever and ever. All my love, Kym.
