“ My daddy was my twin and my other half. A part of me left on that day God called you home. You were the best father I could have ever asked for. I know your not in any more pain and I am thankful for that but I still wish you were here so I could call you one more time. You will forever be my strong daddy that always watched out and protected me. Until I am with you again there will be apart of me that is missing. I love you always.
