“ Like everyone else who ever met Jamil, she touched my heart to it's very core from day one. I met her at Vantiv in Louisville, KY where we worked as customer service representatives. Jamil's very presence brightened the room everyday as she made her entrance. She made the work atmosphere warm, friendly, and loving. Charming, humorous, witty, classy, and simply beautiful inside and out. She was a sister to me as we were close and spent time together on breaks and lunches and at my home after work. I love her with every fiber of my being, and will miss her for the rest of my life. May God bring comfort peace and strength to all who grieve My Beautiful Sister's loss.
