“ It has taken me a long time to get to a point where I can write you a tribute Momma. Just know I miss you every day. I know I will never experience the type of love you gave all of us. I thank you from the bottom of my heart for every memory we made, all the help you gave me with my kids and for always being in my corner. You were an excellent Mother, an excellent grandmother and always a great friend.

*I know I will always love you, but I will miss you the rest of my life.*

*I love you Momma,*

*Love Tonya*
