“ *Ms. Janie always had a smile and a hug for me at church or at the store. As soon as I hit the doors of Kroger and saw her I would yell Ms. Janie and she would turn around, smile and hug. If it was after church she would say "I had to come in here today. How was service?". If at church she would greet me from her Usher post and always with a smile and hug and a "where are those boys?!". My prayer for you and the family is that you receive the peace that can only come from God. He is well able comfort, keep and guide you through this long road ahead. May the bless you, keep you, shine on you and give you peace. Numbers 6:24. Sending love and prayers from Michigan. Deacon Henderson and Sis. Ketesa Allen.*

“ *Janie and I grew close when we both found out that we had breast cancer! We used to tease each other because she said that she always wanted to be like me(a mail carrier) when she grew up! We pain for the separation of Janie from this earth, but God is rejoicing for her celebration in heaven! After Kroger closed, she told me that she was going to Kentucky to be close to her mom! Be encouraged family, because we shall see her again! Be blessed! Barbara Jean Parker!*
