“ You are so missed. But just knowing the conversation we had together meant a lot to me. And I know that God don't make mistakes. So I know when the wind blows you are walking by, and when the sunshine you are brighting up our day. And when it rains you are washing away our pain. And we know if love alone could have kept you here you would of still been here with us. We love you. Love Tanya, Kesha, Brittany, Jala, Ke'Majah, James

“ Family does not always have to mean blood related. Juandora was as much a sister to me as my blood siblings. She was loved as a true sister and she will be truly missed but never forgotten. She is now resting in the arms of our Lord and Saviour, Jesus Christ. Rest in peace my sister. I love you now and forever. Amen!
