“ To the Gill Family, My condolences goes out to you and the family. I knew your mom from Central High School class of 1963. She was top of our class in business education and I will never forget all her typing, shorthand, and bookkeepings skills. Straight "A" classmate.

“ I am heart broken over the death of my friend and partner in crime. I worked with Jeanette for five and grew to love her like a sister. Please know my prayers are with her family. There are too few people on this earth like our Jeanette. Go rest high on that mountain, my dear friend. Love you, mean it.

“ I am so sorry to hear of my friend's passing. I worked with and for Jeanette for more years than I can remember. I think I might have been one of the first hillbillies she actually met and liked! Upon hearing of her passing, I have taken time to reflect on our associations over the years and I find myself smiling. I think all who knew her and all who are now thinking of her are doing so with a smile too. You couldn't be around her for very long without a smile coming across your face. Jeanette knew people. She knew how we thought and knew what made us act the way we did. When Jeanette left the room, she always left something behind for us - a smile on our faces. I will miss her.

“ I worked with Jeanette at BellSouth for many years. I LOVED HER!! She was a wonderful Manager. She had so many great examples of wisdom to give to her employees. I've quoted many of them through the years. One was about cutting off some of the ham and the other was about a mother with 1 orange and 2 children who wanted it. My sympathy to her family.

I will miss the facial expression talks used to have that made us laugh when only she and I knew what was going on. She and I loved to eat good food and the Cards! Rest easy my friend, until we meet again. Love you.*
