“ *What a huge blow this was to hear that Jerald had passed on. He usually contacted me (usually through Tom) whenever I was in the hospital. But this time, while I was waiting for his words of encouragement, I heard that he had suddenly gone home to be with the Lord. I could see over the years that Jerry had matured in his faith, so I smiled when I realized that any trials of his brief journey were now over. I knew Jerald and his family since he was only 6 years old, and I was a teenager. What a a great guy he’s always been. What a great talent, and what a great pleasure it’s been to have known him. My heart goes out to Johnny and all the Miles family, who will always be family to me. May God bless each heart that’s been touched by the life of Jerald Miles...*

“ *Jerald was my neighbor for 20 years on Fairland Place in the Chickasaw neighborhood. We also grew up in the same church together so he was more than just a friend to me. Jerald was my brother! We were "Tom and Jerry" growing up. There was nonstop laughing every time we hung out, and that's because Jerald always brought that energy to liven up the atmosphere! It won't be the same without you around, but you left us with some EPIC memories!!! I love you bruh, and we'll hook back up in the next life! My Sincere condolences to the Miles family.*

“ I had just met Jerald recently at a work conference in Branson. We chatted and one of the first things he did was show me pictures of his sons. He was so incredibly proud of his family. He was such a happy person you could tell he had a life that he loved. To his work family and his home family, you have my deepest condolences. You all will be in my thoughts and prayers.
