“ To my High School, Trade School and Railroad Buddy “Syd” as we affectionately called him. We also had another name that he was known by as we ventured through our life journey (T...) but out of respect for my friend we will leave that in the past. Alice and I send our fondest and sincere condolences to Frances and the girls. May the memories and the great times continue to fill your hearts with the joy that Jerome leaves with you. May the peace that comes from the LORD Jesus provide you with the Joy of knowing He has Him safe in His arms now. Much love Bobby and Alice Wilson
