“ *My Little Uncle. I will always remember cuddling him/them as infants. Wrestling with him /them as toddlers, fighting with him/them as rough and tumble little boys.*

I am 12 years older but somehow as we grew up they became very protective of me. i loved him so much. He was a lot like Grand daddy, kind, helpful, loving, talented, virtually a "Jack of all trades. funny and really tough. I can hear his lil gruff voice asking what i was doing. I'm going to miss knowing he's no longer around somewhere But i am so glad he is made perfect again, no aches, no pain. None of the meanness of the world. I will see him again in paradise, and that will be sweet, like he always was to me. viya con dios mi amor
