“ *Dear Johnson Family: It saddened me to see JJ's obit in the paper but I was immediately reminded of his smile and his laugh which was infectious. JJ and I worked together at Cardinal Treatment Center and one of my favorite stories is of him as it reflects his honesty, integrity, sincerity and commitment to helping the delinquent youth we worked with at the center. Please know that you are in my thoughts and prayers and that I feel blessed to have known JJ. In celebration of JJ's life...Teri Raque*
