“ My deepest condolences go out to the Family at this time. May the peace of the Lord which surpasses all understanding be with them at this time. Beatrice was a life long friend of my mother, so needless to say I have known her all my life. She was always "Aunt Bea " to me and her husband "Uncle Curt" I always thought of them that way and they always treated me as family. A kinder gentler woman you would be hard pressed to find. I always enjoyed time with her and with my mother gone and her family as well, often I would seek counsel from my "Aunt Bea" for sure, she will be missed. I take solace only in the fact that she is again joined with Uncle Curt. I loved them both so much for all they have done to help me grow to be the man that I am today. Rest in peace Aunt Bea, for sure life on this plane of existence has gotten a bit dimmer with your absence.
