“ *Joenice could lift your spirits, if you were at your lowest! I have loved her for many years. I will miss her as long as I have memory! Her children were her heart, followed closely by her grandchildren! She excelled in spoiling each and every one of them. God must have needed her with him more than he thought we needed her here. Who are we to question? There will never be another Joenice.*

“ I pray for strength and healing to everyone that knew this incredible spiritual woman. Thank you Thomas, Danice, Ashley, & Amber for sharing your wife and mother with me and my family. I couldn't ask for a better god-mother and grandmother to my son. Mrs. Joenice, thank you for loving us, showing us, teaching us, and always finding the good out the bad. Although you are gone I can still hear your voice, you will forever be on my mind and in my heart. MiMi
