“ My Condolences to the family, Brother Frazier is truly going to be missed he was a kind friendly man and always willing to help anyone. Our church family has lost a great Member who was one of our door keepers on the Usher Board and I'm going to miss seeing him on his post greeting everyone as they inter the church was the way it was before the Coronavirus. I will always remember his saying in church when he would give the welcoming and then close by saying “The Doors Of Southern Star is Always Open”. We just loved hearing him welcome the new members that visit out church for service. Well my brother you get your rest on in God Arms until we see you again!! To the family be strong and keep the faith
God knows what's best and will take care of you.
God Bless You All!
