“ I was so sorry to hear of your fathers death. I knew your mom, I worked at Bellsouth with her. She was always nice, always nice to me and helpful, especially when she was doing the computer classes. I was really sick last year when your mom passed, but my husband did come to show our respect for your mom. I'm just sad that you had to loose your father so quickly after loosing your mom. You are in our thoughts and prayers. Linda Prys
