“ John Jackson, my great Shamrock friend who always greeted me with a smile. I never knew John when he was at Trinity (my High School)but shared his love for the school. I met John as a employee at CSX and respected him from day one for his integrity and honesty. I truly understand the sorrow in his family at this time and hope you all appreciate what a great man he was. God Bless you all!!

“ *When I think of John, I think of his contagious smile and good times. The two of you always looked so natural together as if you were born to be with each other. It seemed as if took just a look, for you to know what each other was thinking. Blessed. May those fond memories comfort you through these tough times. Love always.*

“ Upon first hearing the announcement I was sad, but only for a moment and then I began to smile, because that is what John brought each day to me and his team. He worked hard, learned quickly and was a joy and inspiration to all of his team members. I feel very fortunate to have been able to share some time with John on his life's journey. He was special and he made me smile with the realization that he used his abilities to the fullest and lived his life that way as well. Thank you John for sharing some of your time with me. Respectfully, Doug Adsit.

“ John and I solidified our friendship during my brief stint at what was then the L&N Railroad company. John was most often in good humor and always a kind hearted gentleman. Our last reunion was in NYC a few years ago when John came to spend a few days in Mid-Town Manhattan at my apartment during a business trip for his newly launched venture in men's accessories. I have always had great respect for John and will miss him most dearly. My sincere condolences to his wife and family.
