“ We are so sorry to hear of Jonathan’s passing. He was a very special person to our family. We first became friends with Jonathan & Lorraine as neighbors in the Meadows. They attended our 25th Wedding Anniversary & we attended parties at their house. Later, Jonathan & I became co-workers at the Library. I always felt safe knowing I had a tough Marine working with me at night. We shared a lot of good times through the years and I will always think about him riding around in his mustang with his cigar and a big smile on his face. Your family is in our thoughts & prayers as you mourn the loss of your love one. May you find comfort & peace in the prayers of your family & friends.
