“ Katherine and Family,
We have loved and respected Joe for more than 30 years. He was truly a genuine, sincere and caring individual. One thing of many I will never forget is him with us at the hospital and afterwards when Dr Z had his surgery. His presence was so comforting

“ Rodney...I know there is nothing we can say to remove pain and other things you may feel. What I do know is this: God will wrap His arms around you in such a way that absolutely makes no sense to us....just to remind you that He is indeed sovereign, concerned about you and able to see you through it all.May you find comfort in this thought. Peace & Love, Jamie Keith
