“ BRO JOE, you started me out on my gospel music 35 years ago at a young age teaching me in the basement of Southern Star Baptist Church . The first song you taught me was "I'm So Glad Jesus Lifted Me".Just know in honor of you I still play all the songs you taught me for \$5 a hour lesson..I still play them the same to honor you! Thank you for your patience and love. To the family, my condolences. We have lost a Louisville Legend, but heaven have gained an Angel!
