“ I am so saddened by the news of Joe's passing. He was a dear friend whom I will greatly miss. I am so sorry I did not find out in time to attend his wake. I have such great memories of him and Louise (like the Neil Diamond concert we attended and the dance on the Bell of Louisville to name a couple...there are so many memories). I am thankful to have had both him and Louise in my life. God bless and be with your family to comfort you through this difficult time. ?

“ I was a good man who I worked with for years. He loved his wife and his family. He left an indelible impression on all who knew him. He was always with a smile and and a great sense of humor. The world is a little less bright with his passing.

“ We are so sorry to hear of the loss of your loved one. May the many memories and years you shared together bring you happiness and the words at Psalms 94:19 give you comfort.
