“ God needed an Angel and He chose Mom. I am blessed and grateful, that you all allowed her to love on me, too. She has been my Mother in Law for over 41years. She was my Naomi and (I) her Ruth. A very special woman, who helped shape and mold me. I will miss our biweekly Saturday morning chats. I am so grateful to God for allowing she and I to have this time together. Family we need to put our faith in God during this time, and believe His word , that He will never leave us with out a Comforter. Praying for our family and friends. Mom, you will be missed, but I God's word sayes: Absent from the body is present with the Lord. Rest on Mom, til we meet again.
