“ On behalf of the members of the Jesus Saves Social Network, I extend deepest condolences and continual prayers for comfort, peace, and love in this time of bereavement. Sis. Joyce joined the Jesus Saves Network in July 2010. She lifted up Jesus Christ for more than five years with effectiveness and power, inspiring all who read her 120 posts, 372 discussions, 16 sub-groups, and 71 photos to love God, our history and heritage, family, and one another. As a retired RN, Sis. Joyce was faithful to encourage readers to reclaim their health even in midst of her health challenges, and to pray through her participation in our online united prayer vigils. Sis. Joyce became a co-administrator on the network in 2012 posting primarily on health-related posts, but also on subjects for faith and prayer. Joyce was a prayer warrior and mighty woman of God! We thank God for sending her our way. We thank you for sharing Joyce with us and we are better for having known her. Again, our condolences to your entire family.

“ Even though, we didn't spend as much time together as I would have liked, she always left an impression on me. My thoughts and prayers are with you all. As Christians we know to be absent from the body is to be present with the Lord, I know she will be there with all our loved ones to greet us. All my love

“ I don't think there will ever be a time when I can remember her not being part of my life. It is always hard to find the right words in a time like this, but know that my thoughts and my prayers are with all of you - just as yours were with me a few years ago! Your cousin, Tina
