“ *Oh how this woman and I use to laugh so much at work. I'll never forget how hard we laughed at each other at the Spaghetti Shop one day. She definitely was a rare jewel that I will never forget. She loved her family so much she was always talking about all of you. I'll never forget hearing all the stories about Spike, she would always say how much she didn't like him but I knew how much she loved that dog. Her and I worked some long days together but she always made it fun.*

“ I remember how kind and friendly Mrs. Sutton was to us. I always went to her candy jar to get candy and conversation for the beginning of the work day. We will forever miss our buddy at work. She had a concern for everyone. Love and Peace to the family always,

“ I just wanted to let the family of Ms Juanita know that she was such a wonderful person. She gave my son his medication at school every day for 3 years. He has some issues so she understood that and she took care of him just like her own. She will be truly missed. My son really connected with her.
