“ *I am filled with so much heartache right now. I loved momma and know she loved me too, she told me every time we talked. She took me in as her son over 26 years ago and treated me like one. She praised me when I deserved it and she got on my ass when I didn't. You were one hell of a woman. I love you and I'm going to miss you dearly. Love Mak*

“ To Aaron & Kennedy...we pray that God encompasses you with his love and protection just as Miss June would. You two experienced the best part of Miss June, as the relationship between a grandmother and grandchildren is like no other. May you cherish all the conversations, laughs and secrets shared with her. As you continue on life's journey, press forward with the precious memories of all that she has instilled in you. Love you both! Auntie Nikki & Auntie Misha

“ Gerri, Eric & Mia...May God bless and comfort you during this difficult time. You are so blessed to have had Junebug as your mother. She was such an eccentric and eclectic soul. From the beginning she welcomed us with nothing but love and acceptance, just like we were her own children. She was our "gypsy mama"! She had such a positive impact on all she encountered. Although we all will miss her physical presence, find solace in knowing that her work here on earth is done, but her spirit lives on with us. God has welcomed her home, saying..well done good and faithful servant. We love you and we thank God that he guided our paths to intertwine. Lean into your faith and trust in him! Love...Nikki & Misha

“ *My fondest memory of June was a trip that she and I made to Indianapolis together to meet my brother, CC ( who was stationed at Ft.Bragg at the time ). June was driving her car and it was at night time and raining hard. Though we both were a frightened because of the weather and I think it was the first time that June had driven so far on the road...Indianapolis was 120 miles from Louisville. We made the best of it by laughing and talking and reminiscing...like we always did. We laughed so much on that trip! It was a fun time. That trip bonded the two of us and created a close relationship between the two of us that lasted forever.*

*I have so many fond memories of June. I will hold them all in my heart until the day I die. And when I need to be uplifted for whatever reason, I will think of the goodtimes and all the conversations that we had, where we laughed, cried, and joked together.*

*June you are one of a kind! I love you and will miss you so much! But, I know that you are at peace with The Lord.*

*Goodbye my sister in love and my friend...Forever*

“ You will be truly missed, I think of you and my brother all the time taking me places when I was a child, June would always say is tag along going. We'd laugh, an my brother would say yes let's go. She and I picked at each other all the time, but we loved each other just the same. Miss you I will, but my memories of you will never fade. You all left me 3 beautiful children to remind me of your life's. Now one last thing, don't be up there bothering my brother. Love you beautiful woman. ❤️
