“ Friend of mine you had such a story to tell and you didn't mind sharing how God had brought you through. Yet through it all you never let it show the pain you were in at times and you never let it slow you down like many of us would have done I think smiling was your medication because you always wore one. I will value our friendship "Chica"...Now you can Rest pain and worry free...May Peace be with the family...Hold on to God's unchanging hand...

I pray his peace be upon each of you as you prepare for your mom's homegoing. Hold to the loving and wonderful memories that you shared with your mom. This will replace the your tears with laughter.
