“ *My dear friend Karen. You were my friend for over 30 years. You were my confidant when I was hurting. You always had a smile on your face and always checked in on me to make sure I was doing well. You were the Queen of "Words With Friends." I couldn't catch your winning streak. I love you Karen and I pray your soul is at rest in the loving arms of our Lord and Savior, Jesus Christ. Until we see each other again.*
