“ OMG.....There not enough room to write everything my heart feel right now. From the time of six years old joining Guiding Star Baptist Church. Singing in that awesome choir telling the whole world "I've been dipped in the water" . Making it through college; teaching in JCPS. To seeing each other here and there; talking making sure to touch each dot and cross every t. Family I say proverbs 3:5-6, and Romans 8:28. Karen walk away to rest in the Loving arms of our Lord.....RIH Karen.....

“ *Grace and Peace to all, I thought my original entry had been posted, but I don't see it, so I will gladly send another one. When I first heard of Karen's transition, I reacted according to the human side of me, and was very stunned, shocked, and saddened. But I also realize that God makes no mistakes, and we all have an appointed time and our times are in God's hands. I will remember her fondly and the dinners we shared at her mother's, Baby Sis's, and at Mrs. Harris's home. Plus, the fun of just being friends. I extend my prayers, love, and condolences to the family, especially to Baby Sis, Dawn, and Vernida who have been there. All I know is that God is still able and he won't fail, he will be our guide, even unto death. SIP, Sis, you deserve it, and I'll see you until we meet again in the presence of an almighty God, and one who is still worthy and victorious. Much love to all, we are family...*
