“ My heartfelt condolences to the family. Kathy, well what can I say but this is a hard pill to swallow. The impact you’ve had in my life I wouldn’t be able to put into words if I tried! You were indeed a lifelong friend! And for that I thank you! If I know you... to say get your rest will be cliché only, because I know you’re going to be working and helping others in the afterlife! Love ya forever! Sincerely...Stacey
