“ Keke! I love you so much! You were like a big brother to me. There are things I talked to you about that I never shared with anyone! I loved you sense of humor, how you never cared what anyone said about you or to you, you were going to be you no matter what! I admired your love for your family and how you lived every day to the fullest. We didn't get to talk every day but when we did it was all love and laughs! I wish I could have seen you before you left me and I'm so sorry that I didn't get to bring you any of my banana nut chocolate chip bread! There will never be another like you KeKe! Rest now Bro. We're all trying to make it to where you are one day. We will see you again! Praying so hard for your family, loved ones and friends you will truly be missed! Love you!
