“ I want to express my sincere condolences to the Brownlow family for their loss.

I had the pleasure of working with Kenny at Colgate Palmolive for many years in the Quality organization. We worked closely together managing the contract manufacturing of the Institutional Products Division, and then in Certification & Compliance.

During our travels I learned a lot from Kenny. He was a great friend and mentor. He will be missed. May he rest in peace and God Bless him.

*Sincerely,
John Wesley
