“Groves Family,
I am so sorry to hear about Kenny. I went to school with Kenny at Flaget. He was a great athlete and a better person. He will be missed. May the many wonderful memories of Kenny comfort you during this difficult time. Know that your family are in our thoughts and prayers.

I was surprised to hear of Kenny's death. I've known his mother for years and never made the connection. I went to school with Kenny @ Flaget High. He was a good person then, and probably remained the same throughout his life. Praying for the family.

*I am terribly sorry to hear of Ken's passing. We were at Christ the King grade school together as well as Flaget High school. Ken was a great classmate and a wonderful person. We referred to him as a gentle giant. May he rest in peace. Our sincere condolences for the family.
