“ I met Kenny in Iraq. We worked together. He was one of the most kind, humble, sarcastic, and genuine people that I have ever had the pleasure of working with. We have kept in touch since then. I cherished this 13 years of friendship. What hurts most is that I took it for granted. There wasn't enough time...but now is your time bro. We will never forget you! - Kita and RJ

“ *I met Stan when I was working overseas. We
instantly connected. He was a good friend
and we fortunately stayed in touch. We didn't
talk everyday but whenever we saw each or I
reached out to him comedy and laughter
ensued for at least 30 minutes. He recently helped motivate me to
keep plugging those miles on my bike. He will be truly missed.*

“ I only worked with Stanley for a short time, but it was evident from working a couple of basketball games at UofL that he had a genuine interest in all of the people that he came into contact with. He knew every staff members name and visited with nearly everyone he passed by. Stanley put a smile on everyone's face when he chatted, joked and visited. No matter how busy he was, he always made time to visit and checked on staff regularly and dropped drinks and food whenever he could. This showed his true and genuine concern and care for others and was a true mark of his great character.

“ Still in total disbelief that you are gone cousin. Even though we hardly seen each other because of distance, the talks we did have was always about lifting each other up and finding ways to be better men. This one really hurts. I love you bro and you will be dearly missed but never forgotten...

Wow! I've never been at a loss for words! Stanley was an awesome , amazing , loving & handsome nephew! He made you laugh, he would always have encouraging words to brighten your day. I remember him as a lil boy making us a nervous wreck going down a hill on his sisters bike that he was too little to ride. I want to ask GOD TO WRAP HIS ARMS AROUND HIS MOM & DAD& SISTER& BROTHER, ALL OF THE REST OF HIS LOVING FAMILY & COMFORT THEM, LIKE ONLY HE CAN.I LOVE YOU ALL MY SISTER CORINNA ❤️🙏

“ Stanley was the heart & soul of his MBA (Lime) team. He epitomized being chill yet motivated. He was always on the “go”; worked smarter; utilized his unique background to have me think differently; and exposed me to humility, laughter, generously & integrity at a profound level. He never stopped talking of his family, friends & fraternity. He is - and will continue to be - sorely missed!

“ I’m really sorry for the pain and sadness your family is going through with this tragedy. I’m was in the UL MBA program with Stanley. Not only were we classmates but we were friends. We texted, talked, and visited in person almost every week. We last spoke 9/1 where we talked about sitting next to each other at graduation based on our last names (Hall and Harris). I will miss all the times we laughed or sighed a deep breath when we were done with a class. We also shared some history together based on the part of the state where we grew up and spending time at Kentucky Wesleyan College. We had a lot in common. While it won’t take away from the pain of this loss please know how much Stanley meant to me.
