“ *We loved hearing our Papaw Stories, as we called them. He would have us, step-kids and grand kids around him holding our sides as he told a gut funny story about his time as a police officer.. Papaw you're very loved and will be missed.*
Love You
Rest Peacefully

“ My sister Bertha and I met up with Kenneth at Golden Corral for a lunch with the family. Being the only ones there for a while, we engaged in some very good conversation and got to know each other a little better. I’m so glad we had that time with him. So sorry for his passing but God knows best. Love to the family
