JG

“ *I am deeply saddened by the news of Kens passing. My thoughts and prayers are with you and your family. I lost touch with Ken about 18 yrs. ago when I married moved out of state. I remember Ken as one of the kindest, fun-loving, most genuine guys I'd ever known! Always there to help and would give you the shirt off his back. Ken will live on in our memories and in our hearts.*

James Gray - June 27, 2016 at 12:00 AM

ME

“ *Rest in peace. And may the family be comforted soon. Our prayers are with you all.*
