“ I will always remember how uncle Kenny would tell us he ate bricks and we could punch him in the stomach when we were kids. Of course when we got older that story quickly went away. I'm so sad that he's no longer with us and we won't get to see his bright smile. It makes me sad that I won't be able to be there to celebrate his life and homecoming, but my thoughts, love, and prayers will certainly be with the family.

“ My little brother. I remember how brave he was in that when we were younger he would go off the high dive when I was afraid to get in the pool. How he took up for me when some bullies weren't being to cool. I remember how he adopted my dog and made it his own. To the point he could say to the dog get em(me) and I'd be gone! I remember Kenny just had a way about him that would just draw you in can't wait to joke and laugh with him again. My little brother.

JB

Jackie, I will always remember Kenny's smile. It reminded me of Papaws smile, uncle Frank to him. Much love and prayers to my family. Rest in peace your cousin Jackie.
