“ This is so unreal, been knowing Kerry since high school and it was never a dull moment. His favorite nickname for me was Shaq and the only one that could call me that. I will miss him calling me that name. My condolences to his kids and his family. RIP Kerry.

“ To the Wilson family you're in my thoughts and prayers. I have known Kerry ever since the first grade. We shared some great times, I'm still processing that he is gone, a part of me is empty inside, but I know God is good. I thank him for putting Kerry and the Wilson family in my life,

“ I worked with Kerry only a short amount of time, but he was like a uncle to me. My beautiful wife got the pleasure to meet him as well, he always said "how's my Coco today?" Kerry was such a wonderful man, and I knew this just by watching the interactions his friends and co-workers got when they saw his face. To his boys, I hope you are very proud of the man your father was, to the rest of his family, my prayers are with you. R.I.H Kerry 🙏💙
