“ Ms Kim was always there very early in the mornings as I would drop my daughter off at daycare. She was usually still there in the early evenings when I would pick her up too. She was clearly a strong influence and source of consistency and excellence through the years I knew her at Uncle Sam's. I will remember her as a role model for my daughter and the countless other children she helped care for, but also as a role model for us all as someone who truly cared and conducted herself with kindness and patience.

“ My daughter attended Uncle Sam's Place years ago, but I have never forgotten Miss Kim. She truly had a gift with children. She loved my daughter as her own and could calm the crankiest of kids. Every day I'd bring my daughter in, Kim would greet her with her special nickname (Peaches). I send my deepest condolences to her family. She was a special person.

“ My daughter attends the daycare. My experience at her first daycare was not the best, so I needed her next daycare to be great. During our tour, Ms. Kim took my daughter by hand as we walked to view the different rooms. I knew then that I found the right place. I am honored to have known her. She gave me good advice which I found helpful since I am a first time mom. I can tell that she loved children and loved what she did everyday. Even if she was having a bad day, I was not able to tell. I always saw her with a smile on her face and she never missed a day saying "Having a great day Mrs. Splunge!"My family and I will truly miss her.

“ I have always believed in God's perfect plan and have done a pretty good job of never questioning him. I am really struggling right now with your passing as I was just talking to you at the center hours before this occurred. I am DEVASTATED Ms. Kim. I thank God for the three years that he shared you with us. I have struggled everyday to bring Sekou into the center knowing we will no longer be able to hear you greet us. You meant the world to so many people Ms. Kim. I will miss our talks, your constant words of encouragement and your motherly spirit. I love you Ms. Kim. So much. THANK YOU for EVERYTHING and more. I am truly going to miss you.

“ Kim was perfection as a childcare professional. My son went to Uncle Sam's for his entire daycare experience, and Kim was legendary. My family feels so blessed that we crossed paths with her. She found her calling early on, and hundreds if not thousands of families reaped the benefits. To Kim's family, thanks for sharing her with us.

“ Over 23 years ago I walked into Uncle Sams Place with my daughter in my arms. I'd just moved to Louisville and that day I was adjusting to a new day care (my daughter was 8 months old then), a new job, a new husband and a new place to live. My daughter had difficulty adjusting to a new day care, but Ms. Kim made all the difference. She stepped in and hired a "granny" to take my daughter out of my arms in the morning and stay with her until she adjusted. Ms. Kim always had a smile whether you seen her at Uncle Sams Place or at the grocery store. God truly got a good one this time. RIH Ms. Kim!

“ I want Mrs. Kim's family to know that she beamed while talking about you. Thank you for sharing her with the staff and teachers of uncle Sam's place. She truly brought joy and knowledge to us all. She knocked this life out of the park and she will continue to do so with God. May the peace that passes all understanding wrap you in the days and weeks and years to come.
