“ *Auntie Kim,
You were bold, honest and tough. The backbone for this family, you were never afraid to speak up for anyone and now that you're gone, I wonder who's going to be the one to call people out on there bs? You taught me to stand up for myself, a lesson I took for granted until I became an adult, you showed me that the meanest person can have the warmest heart and that hard work will always pay off. I loved coming over your place where I knew in the summer time there'd be cold big red and even colder ac. I loved laughing with you and even though I'm thirty I turned into boo boo kitty whenever you came around. I love you entirely auntie Kim and there will never be another like you.*

“ *I'm so Thankful, I was able to witness GOD take you home. I know you are Free and Happy. I love you so much and a piece of my heart is gone forever. You were my sister, second mother, and best friend. I'm so proud to say, I'm Kim Wilson's little sister. I'll miss you forever. I have a Guardian Angel now, I know, shut up. LOL!*
