“ Aunt Moe I would've never stopped hugging you if I would have known you wouldn't live to spend today with me. My birthdays tomorrow and if I had one wish I would wish you back alive. You are a diva and have always taught me to be a diva as well. You were such a big impact on my life. My kids miss you the family misses you. This breaks my heart. I need you here. We all do.

“ Quita-
You were a beautiful person inside and out. We had a lot of great memories over the years and I will cherish them forever. You were truly a jewel. Your beautiful smile and contagious laugh is something I will always remember you by. My only regret is that we didn't get to spend more time together. Rest well my dear friend, job well done!

Love,
