“ *To the Brewer Family, there are no words of comfort or verse to recite. There is no pain to share or tears to compare to your own. We only can say, we love you, we know you walk in the path of righteousness, your truth is being a good father. This we know with all our hearts. Senseless as it is, please have peace within your spirit, that God has willed the free will of man. He is your avenger. He is your Savior. He is your path to healing and joy. With this, smile and say, "I was a good steward over what God gave me". Mother, we pray your tears are few and your memories will last forever. There are no words we can say to take the pain away. We will say... This too shall pass. Trust in the Lord! He is your medicine, your healer, and your savior of all the pain this world has for you.*
