LJ

“ *My deepest sympathies for Larry's family and friends. It was a pleasure to have worked with Larry for many years. Always pleasant, and "the go to guy". He was a wealth of knowledge, and a mentor to many of us. He personally has taught me many things that have helped me along my way. It has been said that, "We are a part of all whom we have met." And, I consider myself blessed to have met Larry Gardner.*
