“ Dear Heavenly Father, I ask You to comfort Alpha and her family, give them peace, restore hope, and lavish them with love. In the depths of loss, meet us with Yourself. I cry for the legacy this loved one leaves, for the ways the world has been made different by his presence, for the memories that become both more beautiful and more painful on this side of death. I extend my heartfelt condolences to the grieving family. Losing the man of the house is a profound sorrow, and during this difficult time, it's essential to find solace and support. AMEN LOVE & PRAYERS.
