“ *My deep and sincere condolences to the Smith Family. May God pour his mercy and blessings upon you all in this time. May the love and joy you shared with your Husband, Brother, Father, Uncle and Cousin strengthen you in the days to come. Time is the balm, the healer.*

Through competition I got to know this Brother, his fight and his will. He will forever hold a special place with me. Larry stood solidly by my side as a Shawnee Indian Footballer...a lot of heart. Peace and Blessings.

“ Our dear family,

We are deeply saddened to hear of the passing of our beloved cousin, Larry. We have beautiful memories of him and the rest of our family during the times spent at our family reunions. Our hearts and prayers go out to his lovely wife, June. Together, they were always so hospitable to us whenever we'd visit from Cleveland.

To our cousins:

Please know that we are with each of you at this time. We may be far in distance but we are close spirit. We share this grief with you.

Larry:

Myself, my mother Lean, and my brother's June and E, were all looking forward to seeing you last year and now, more than ever, miss the time we would've spent together.

So long, Cousin Larry.

Until we meet again,

Aunt Lean, June, Dean & E

*To the Smith Family. My prayers are with you. The last time I saw Larry was at Krogers in Portland (I take that he liked Kroger) And like Lynn, said that Smile. I teased him about having on some Penny Loafers with the pennies in them. Always Sharp. He will definitely be missed.
