“ I am very sorry for your families loss. I have not seen Latonya in years, and I am sorry I never followed through.. She was a great person, had a great personality and smile.. Seems so sad such a bright light went out. I am sure she is with you her family, watching over you all. The world got a little dimmer but, Heaven is much brighter.. And I look forward to seeing my friend again where we are both healthy and young again.. lol She thought me a lot.. riding boots look awesome, White castles is the bomb, a bad hair is salvaged with a good hat and beauty pageants can be watched with a crowd of friends just like football games.. LOL I love you Latonya, I am very disappointed we will never get to recover our lost years.
